# **Wonders of Kidney**

## **Mighty Wonderful organ !**

Almighty God has blessed us with one spare kidney !  
Amazing !

### **Enormous reserve power of Kidneys –**

The two kidneys together contain about 2,400,000 nephrons, and each nephron is capable of forming urine itself. Usually only some 20% of the nephrons are simultaneously active, but under conditions of stress all are engaged.

That a large part may be destroyed and yet the remainder can carry out the necessary work; it is estimated that – not until between two-thirds  $2/3$  and three quarters  $3/4$  of the total numbers of nephrons (total renal substance) is rendered inactive does loss of concentrating ability manifest.

Experience **has proved** that impairment of renal function and renal disease can be restored to normal by treatment. Kidneys are **secondarily affected** by disorders going on in the other systems of body.

### **Miracles of Homoeopathy in Kidney Failure (without Dialysis and Kidney Transplantation)**

#### **Saving Life with Homoeo Healing Dynamites**

How can small looking Homoeo pills possess great power of healing dynamite to save life of patient suffering from kidney failure?

Is it as fast as an Intensive care unit treatment?

Is it possible to avoid expensive kidney transplantation?

**Our answer is emphatically -Yes**

**Healing The Mind :-** of Kidney patient is most important. Through careful observation, we have investigated the mental aspect of kidney patients. The mind in most cases is terribly depressed, in constant agitation, sleepless nights, violent disturbance expressed in anger. Pictures of discontentment, resentment, various fears, apprehension etc are prevailing and filling the mind. Homoeopathy takes *into account Psychosomatic* make up of the patient (i.e mind - body relationship, having body symptoms of mental origin)

There are multitudes of stumbling blocks in life of man, suffers many unfavorable circumstances during years of growth as a child, strained family relations, business problems, financial strains, sudden shocks or loss of family member or illness. etc. These things disorder the vital functioning of human machine. *Rejuvenated life is possible ! Unbelievable, yet true!*

### **Holistic approach of healing:-**

Healing (the whole patient) : Body, mind and spirit. Remember **Mind is ALMIGHTY!** a source of infinite healing energy. If this healing center is powerfully stimulated by the right healing homeo dynamite, then curative vital reaction starts which heals his mind and commands the kidney cells (nephrons) to regenerate and healthy function is restored. Amazingly impossible, yet can be done! Homoeopathy heals the broken hearted, reinvigorates the weary (tired with energy abated) and under heavy Press of modern Life. (Grief, anxiety, worry, tension, discontent, despair, fear etc.) The negative emotions of fear, jealousy, criticism, faultfinding, hatred, revenge, anger...etc are transformed into positive emotions of desire, faith, love, enthusiasm and hope .. etc. These positive emotions heal the kidney.

**OUR MOTTO**
